

Registration Renewal Fee Report Submitted

The data you entered and any attached documents have been submitted for review. **Submissions made through this system are not automatically approved.** They are placed in queue for an analyst to review. Use the [Registry Search Tool](#) to monitor updates and newly published documents.

Your **renewal fee** is shown below. To pay online, you will need:

- **Name of Charitable Organization** (shown on this page), and
- **State Charity Registration Number** (shown on this page), and
- Renewal **Fee Amount** (shown on this page), and
- Your **Registration Code** which is also what you used to set up your User ID & Password for the Online Renewal System. If you do not have your **Registration Code**, [contact us](#).

There are two choices for paying your fee. The links to our payment processors below will open a new browser window/tab leaving the information shown on this page available if needed. Payments submitted are non-refundable.

To pay the fee by checking account (ACH), go to our [ACH payment processor](#). You will need your checking account information including **account** and **routing numbers**. There is no additional fee added to make a payment by ACH.

To pay the fee by credit card, go to our [credit card payment processor](#). Note that there is a 2.3% fee charged and collected by the payment processor that will be included in your total on that site.

Note: Credit card and ACH payments using alternate payment processors cannot be accepted. Use only the two options above when using this Charity Registration Online Renewal System.
